

## ABOUT US DENAYU

Wedang Denayu was founded in 2015 with a production process that empowers local women.

Middle-aged artisans are also involved in the production process with the aim of creating a genuine sense of tradition. As time goes by, now the science of concocting has begun to be downloaded and transmitted to young craftsmen.

Wedang denayu is determined to encourage a variety of these traditional herbal brews to enter global trends. The millennial market is penetrated by means of product innovation.
